covering costs resulting from student accidents up to a specified amount. The policy now paid by the school district will be terminated at the end of this school term as part of the economy program promised by the Board of Education preceding the recent tax-increasing election. The termination of this policy in no way affects the liability insurance carried by the district, according to Charles Pinkham, newly-elected president. The liability insurance will continue to protect the school district in cases where negligence is proven in court against the schools or school employees involving pupil accidents.

CHRISTIAN SCIENCE

Humanity's need of spiritual growth and progress will be brought out at Christian Science services this Sunday, at 533 San Pablo Avenue, in Albany.

Keynoting the Lesson Sermon entitled "Mortals and Immortals" is the Golden Text from I Corinthians 15:53: "This corruptible must put on incorruption, and this mortal must put on immortality."

Readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (265:5): "Mortals must gravitate Godward, their affections and aims grow spiritual,—they must near the broader interpretations of being, and gain some proper sense of the infinite,—in order that sin and mortality may be put off."

Scriptural selections to be read include the following from Psalms (89:15): "Blessed is the people that know the joyful sound: they shall walk, O Lord, in the light of thy countenance."

COMMUNITY METHODIST

"Possessing or Possessed?" will be the sermon theme of the Rev. Douglas H. Henderson, pastor at the duplicate morning worship services at 9:45 and 11 a.m. hours this coming Sunday. This Sunday is to be observed as Stewardship Sunday. Special music will be furnished by the choir under the direction of Mrs. Mabel Potter. Sunday School for all ages at 9:45 a.m.

Palm Room Dances At Berkeley YMCA

The theme for the Palm Room dances to be held Friday, May 17 and Friday, May 24 is a "Caribbean Cruise." Ernest Carlson is the master of ceremonies and music will be furnished by Murray Petersen and his orchestra on May 17 with Kenny McCall and his orchestra scheduled for the May 24 dance. Many features have been planned in keeping with the theme.

Dances are held from 9 p.m. to midnight every Friday night for the 18 to 35 age group of young people. Girls are guests, with no charge, up to 9:45 p.m.

There will be no dance on Friday, May 31, due to the long holiday weekend.

FIRST BAPTIST

"Going Deeper With God" is the sermon subject chosen by Dr. A. O. Odgaard at the Morning Worship Service 11 a.m. It is evident from the Bible that it is possible for a Christian to live in close fellowship with God. In this only can an individual be fully satisfied in his Christian experience and gain victory in his individual life. The Chancel Choir will sing, "Seek Ye the Lord."

At the Evening Gospel Service 7 p.m., the pastor will speak on the sermon topic, "Where Is Thy God?"

The Youth Choir and other talents will provide special music.

A youth rally will be held Friday evening, 7:30 p.m. A good and interesting program will be presented.

GRACE LUTHERAN

"The Object of Your Affections" will be the sermon topic of the Rev. G. R. Janke, pastor, at Grace Lutheran Church, Santa Fe Ave. at Ward, in both the 9:45 and 11 a.m. services next Sunday. This will be the third in a series of expository sermons on St. Paul's letter to the Colossians under the general theme, "St. Paul Shows Us How."

The lesson topic for the graded classes of the Sunday School meeting at 9:45 a.m. will be, "The Healing of the Lame Man."

At 6 p.m. in the parish hall the members of the Walther League youth fellowship will host their parents and other members of the family at a pot-luck dinner. George Fosselius is the dinner chairman and Pat Hedley the program chairman.

To The Citizens of Albany

I wish to clarify the reason WHY I did NOT present a REFERENDUM PETITION in PROTEST of the purchase by the City Council on April 1, 1957 of the property located at 1110 Washington Ave., since the ALBANY TIMES in its "News Report" under date of May 10, 1957 ASSUMED that "apparently I had been UNABLE to secure the 835 signatures of registered voters necessary to either retract the City's Council's action or calling for a citizens vote."

NOW THEN:

a) I would NEVER start a REFERENDUM PETITION, if I would not be SURE of being able to secure the necessary amount of valid registered voters;

b) Between April 3, and April 15, 1957 noon time I already had SIX HUNDRED TWENTY-ONE (621) VALID signatures of registered voters.

I had until April 30, 1957 — — — fifteen days MORE — — — to secure the remaining TWO HUNDRED FOURTEEN (214) signatures, which would have been very easy considering the fact, that on Sunday, April 14th, 1957, ALONE, I secured ONE HUNDRED FORTY-EIGHT (148) valid signatures.

c) However, when 14 days LATER, on April 15, 1957, Councilmen BLANK, KECK, DONAHUE and HOWELL REVENGEFULLY purchased a SECOND parcel of land located at Kains Ave. and at that time announced "that they would CONTINUE to purchase SEPARATELY every 14 days or the REMAINING parcels of land for the simple reason to FORCE EACH TIME A SPECIAL REFERENDUM — — — I STOPPED right there and decided I would NOT spend anymore TIME, HEALTH and ENERGY on a matter I felt THE CITIZENS OF ALBANY SHOULD DECIDE — — — but which Councilmen BLANK, KECK, DONAHUE and HOWELL were EQUALLY DETERMINED, the citizens of Albany SHOULD HAVE NO VOICE IN IT.

In debating with myself, whether to ACCEPT the CHALLENGE and after EACH SEPARATE PURCHASE circulate an ADDITIONAL Referendum Petition, I remembered the inscription on a tombstone in the cemetery in the little town of Columbia which simply said:

HE WAS RIGHT

Life is too short. To secure for the citizens of Albany what I thought was RIGHT by circulating about FIVE SEPARATE Referendum Petitions IN SUCCESSION, — — — PROBABLY WOULD HAVE KILLED ME. It is FUTILE for ME CONTINUOUSLY fight ALONE the CONSTANT OPPOSITION of Councilmen BLANK, KECK, DONAHUE and HOWELL.

Kathie Zahn

Member of the City Council

Albany, May 17th, 1957

P. S. On May 13, 1957, the City Council purchased the THIRD parcel of land located also at Kains Ave.

PROCLAMATION

WHEREAS, the civic bodies and service organizations of our community and the departments of the local government recognize the Junior Chamber of Commerce; and

WHEREAS, the Albany Junior Chamber of Commerce have set aside May 25th, 1957, as the night of "Miss Albany" Pageant, in order to seek a representative for the City of Albany to compete in the "Miss California" Pageant to be held in Santa Cruz, California; and

WHEREAS, this organization of young men are seeking to develop the betterment of youth welfare within our city;

THEREFORE, I, Mayor of the City of Albany, do hereby proclaim the week of May 18th to 25th, as "Miss Albany" Week, and urge all citizens of our community to give full consideration to this worthwhile project of the Albany Junior Chamber of Commerce.

LEWIS M. HOWELL,
Mayor
City of Albany.

WHEREAS, Albany Post No. 292 of the American Legion and Albany Post No. 2658 of Veterans of Foreign Wars have designated the 24th and 25th of May, 1957, as a proper time in which all of the residents of the City of Albany may pay homage to those gallant Americans who have been disabled while in the service of their country and

WHEREAS, Albany Post No. 292 of the American Legion and Albany Post No. 2658 of Veterans of Foreign Wars are jointly sponsoring a public sale of Poppies on the 24th and 25th of May, 1957 in order that the residents of Albany may show their appreciation to those heroic men and women who are unable to return to their pre-war activities because of injuries received in the defense of their country; and

WHEREAS, in past years Poppy Days have been an outstanding success because of the gracious and liberal participation of the citizens of Albany.

NOW, THEREFORE, As Mayor of the City of Albany, I proclaim May 24 and 25, 1957, as "POPPY DAYS."

I request all the people within the City of Albany to buy poppies and to join with the American Legion and the Veterans of Foreign Wars in the public demonstration of our affection, our loyalty and our thanks to those who are still suffering from the devastation of war.

LETTERS TO EDITOR

(Continued from page 1)

mittee. We tried to make only true statements of what would happen to our school system if this tax increase was not approved. No one in his right mind would even consider trying to live today on his income of 20 years ago. Even the old age pension has been greatly increased over the last 20 years.

2—A significant fact apparently overlooked completely by the people who are still opposing those of us who fought for our schools and our City is the large increase in the number of "Yes" votes in the May election over that in January. There were 975 more votes cast in the last election, and the significant fact is that there was a gain of 838 "Yes" votes over the January election; a gain of only 137 "No's." It follows that without this very sizeable increase on the "Yes" side, no one section of the City could possibly have carried the election.

3—In regard to the "Village residents", it is well to remember they now have children attending our schools. This is permanent housing and more children will continue to attend our schools while residing in the Village. Why shouldn't these parents have a say in the kind of education they would like

for their children?

These people may be temporary — and then again who knows how many will decide to stay in other parts of Albany and have their children enjoy the benefits of the good schools that they have helped us keep? If they do leave, others (with children) will surely take their places. Any way you look at it, they will be helping to keep our schools well-attended, so why shouldn't they have a say in what kind of schools their children and the children who succeed them shall attend?

Sincerely,
DOROTHY McCAIN

A LONG Shadow...

The Symbol of the Order of the Golden Rule casts a long shadow.

From coast to coast, outstanding funeral directors in the great cities, the average cities, the tiny villages, may be recognized and identified by their use of the Symbol of the Knight and Shield.

As a matter of simple fact, the long shadow encircles the globe, for there are members of the Order upon five of the six continents... each member a funeral director who has demonstrated beyond all question his adherence to the motto of the Order: "Service Measured Not by GOLD, but by the GOLDEN RULE."

It is easy to understand, therefore, why we are happy indeed to announce at this time that for another year we have qualified for continued membership in the Order.
